# GET TO KNOW US

**KAREN BROWN** - Nearly 15 years ago Karen began to quilt to escape from work stress. Beginning with minor knowledge of quilting, it wasn't until Karen joined a stitch'n'chat group with her cousin that she gained confidence to finish her first sampler quilt. With the quilt top completed, she wanted to utilize all the scraps and orphan blocks, thus creating her first AFTERQUILT improv project.

Karen realized her tastes were more modern, so she joined the Toronto Modern Quilt Guild. She has participated in two Quiltcons, making numerous friends along the way. She also began making more complicated quilts; gaining new skills with each project.

In 2018, Karen volunteered to make a video for a guild block lotto challenge. Even though she didn't know how to film and edit, she was committed to the process and teaching herself film-making. These videos lead to her popular YouTube channel, Just Get it Done Quilts which is all about helping quilters decipher all the rules and mix messages they receive. Today, Just Get It Done Quilts has over 408,000 subscribers and 37 million views. Weekly, she shares on her channel her tips, tricks and strategies to help you tidy up your sewing space, use up your stash and deal with your UFO's.

Watch us on

She also has expanded her channel with an interview series Karen's Quilt Circle bringing in guests from around the world. They share their expertise, their challenges and of course their love of quilting. In this rapidly changing world, Karen is committed to help fellow quilters find the calm in their hobby, recharge and empower them, so they can be the best quilter they can be.

# TRAVEL WITH US

The **RGE Travels** brand is unique as we don't have a "brick and mortar" location so when it's time to meet, we come to you or meet you at a location near you. That's why we are your "Travel Concierge"! As we are all US Veterans at RGE Travels, we try to live by our motto: Thank you for giving us the opportunity to serve you! It is amazing how 2 people from opposite sides of the USA have so much in common and that commonality is travel. Both of us have lived in multiple states during our youth and we each ignited our travel bug while serving overseas and during deployments in the US Air Force and the US Army. After the military, our careers in the airline industry and security and real estate didn't quell that inquisitive travel bug and
