 [www.cynthiasfinefabrics.com](http://www.cynthiasfinefabrics.com)

Cynthia's opened on September 7, 2001 to meet the needs of the home sewing and custom clothier market in South Florida. In addition to "fine fabrics", patterns and notions, Cynthia sells high quality sewing machines, embroidery software and supplies.

**Gina Pye** was born and raised in South Florida, and began sewing at the age of 8. She further discovered a love of sewing during my 50+ years of marriage, while raising 3 wonderful girls, and working 30+ years for corporate America. A long the way there was a whole lot of sewing projects created. The best being those last minute volunteering project from my children for their school or club.

True treasurable moments. Never forgetting those favorite blurt outs..."My Mom can make the entire school's team uniforms" or "I want to wear this to trick or treat, Mom". After retiring in the mid 90's in Blue Ridge, Georgia, quilting became my true passion. Years of working at local quilt store, experience in making store samples, and teaching several classes a month, further intensified my love of quilting. Learning and assisting on sales for Janome and BabyLock's, owning several make and models, techniques in cutting, piecing, and appliquéing, all have lead to perfecting my craft. In 2019, she returned to Broward County and found my home away from home..."Cynthia's Fine Fabrics", where my love of teaching quilting techniques has flourished.

## GET TO KNOW YOUR TRAVEL CONCIERGE

Raymond Evertsen  
Director Travel Concierge  
US Air Force Veteran

The RGE Travels brand is unique as we don't have a "brick and mortar" location so when it's time to meet, we come to you or meet you at a location near you. That's why we are your "Travel Concierge"! As we are US Veterans at RGE Travels, we try to live by our motto: Thank you for giving us the opportunity to serve you! It is amazing how 2 people from opposite sides of the USA have so much in common and that commonality is travel. Both of us have lived in multiple states during our youth and we each ignited our travel bug while serving overseas and during deployments in the US Air Force and the US Army. After the military, our careers in the airline industry and security and real estate didn't quell that inquisitive travel bug and in fact pushed us farther into other destinations. With all that travel and our combined destinations, RGE Travels literally has circled the globe to bring this excitement to your travels. This is the reason why we are asking you to join us on another adventure and mingle with people you never met while enjoying the sights, sounds and surroundings because when you travel with us, you're never alone.
