SPECIAL TEACHER & GUEST

Stephanie Soebbing the owner of **Quilt Addicts Anonymous** started quilting just after college, just for something to do. At that time, really not that long ago, there weren't that many good tutorials on the web for quilters getting started. She seriously sewed with a regular presser foot for a year and didn't realize why she sewed a consistent three-eighths-inch seam until she finally

took her first quilting class. From then on, she was addicted, and after taking one of two classes and trying out every technique available, she wanted to share her gained knowledge with the rest of the beginners on the Internet struggling to improve their quilting skills and has been doing so for over 15 years. As an established , pattern designer, teacher, podcaster, blogger, and savvy social media marketer, she has grown her on-line audience from around the world and continues to share her passion for fabrics, quilting, and sewing through her popular

YouTube Channel.

The Block of the Month that started it all

This Block of the Month 2014 is the pattern that got Stephanie Soebbing and Quilt Addicts Anonymous started on the path from a quilting blogger to becoming a true pattern designer.

Director Travel Concierge
US Air Force Veteran

The RGE Travels brand is unique as we don't have a "brick and mortar" location so when it's time to meet, we come to you or meet you at a location near you. That's why we are your "Travel Concierge"! As we are US Veterans at RGE Travels, we try to live by our motto: Thank you for giving us the opportunity to serve you! It is amazing how 2 people from opposite sides of the USA have so much in common and that commonality is travel. Both of us have lived in multiple states during our youth and we each ignited our travel bug while serving overseas and during deployments in the US Air Force and the US Army. After the military, our careers in the airline industry and security and real estate didn't quell that inquisitive travel bug and in fact pushed us farther into other destinations. With all that travel and our combined destinations, RGE Travels literally has circled the globe to bring this excitement to your travels. This is the reason why we are asking you to join us on another adventure and mingle with people you never met while enjoying the sights, sounds and surroundings because when you travel with us, you're never alone.
