WHAT WE DO

We offer discussion groups, such as our Transgender Support Group, which address the special needs that are found within our LGBT community and provide a safe place to do so. We host speakers on topics of particular interest to the LGBT community in order to enrich and empower them. We organize and host social gatherings to provide opportunities for people to network, develop friendships, and nurture support of one another. We advocate at a grassroots level to influence officials with our public service campaigns, media exposure, educational programs, and letter writing. Through our charitable work, we help eliminate negative stereotypes by offering opportunities to support our local community, which helps them and builds strong allies. We communicate, on a personal level, the struggles that LGBT individuals often face. By putting a human face on our issues, we make it more difficult to discriminate against us. We update our community on events and news that affects their lives. Through education, we strive to promote understanding and increase tolerance in society.

By embarking on this enchanting cruise, you're not only creating memories that will last a lifetime but also contributing to a meaningful cause. Great Lakes Bay Pride envisions and strives for an inclusive and supportive community that inspires engagement, equality, and respect for all. Your participation in this fundraising travel event will directly support their educational programs, social influences, and community outreach initiatives.

The RGE Travels brand is unique as we don't have a "brick and mortar" location so when it's time to meet, we come to you or meet you at a location near you. That's why we are your "Travel Concierge"! As we are all US Veterans at RGE Travels, we try to live by our motto: Thank you for giving us the opportunity to serve you! It is amazing how 2 people from opposite sides of the USA have so much in common and that commonality is travel. Both of us have lived in multiple states during our youth and we each ignited our travel bug while serving overseas and during deployments in

the US Air Force and the US Army. After the military, our careers in the airline industry and security and real estate didn't quell that inquisitive travel bug and in fact pushed us farther into other destinations. With all that travel and our combined destinations, RGE Travels literally has circled the globe to bring this excitement to your travels. This is the reason why we are asking you to join us on another adventure and mingle with people you never met while enjoying the sights, sounds and surroundings because when you travel with us, you're never alone.
