The History Museum of Hood River County is a vibrant center for engaging all people in a better understanding of our community's heritage that preserves the past, relates it to the present and shapes our future. It began with avid collectors of local stories, the 1907 Pioneer Society later morphed into The History Museum of Hood River County. Created in 1978, The History Museum is an active participant in its vibrant multi-cultural community and is led by the Heritage Council, a 501c3 non-profit organization. The Council members are a diverse group who have many cumulative years of experience in education, law, business, retail, social work, government organizations, the arts, historic research, and various other local community cultural and governmental entities. The non-profit Museum brings the region's past and present to life through permanent displays, temporary exhibitions, and programs. The museum holds in trust over 30,000 artifacts, documents, and media that represent the diverse heritage of Hood River County and the Columbia Gorge. We bring to life the stories of all the peoples of this region through education, discussion, and exhibitions. Celebrating and embracing the Hood River County and the mid-Columbia River Gorge area's diverse cultural heritage, preserve its unique story, and continuing to encourage the value of understanding how history shaped the past, impacts the present, and influences the future.

The RGE Travels brand is unique as we don't have a "brick and mortar" location so when it's time to meet, we come to you or meet you at a location near you. That's why we are your "Travel Concierge"! As we are US Veterans at RGE Travels, we try to live by our motto: Thank you for giving us the opportunity to serve you! It is amazing how 2 people from opposite sides of the USA have so much in common and that commonality is travel. Both of us have lived in multiple states during our youth and we each ignited our travel bug while serving overseas and during deployments in the

US Air Force and the US Army. After the military, our careers in the airline industry and security and real estate didn't quell that inquisitive travel bug and in fact pushed us farther into other destinations. With all that travel and our combined destinations, RGE Travels literally has circled the globe to bring this excitement to your travels. This is the reason why we are asking you to join us on another adventure and mingle with people you never met while enjoying the sights, sounds and surroundings because when you travel with us, you're never alone.
